Local Businesses Contribute 68% of Burlingame City Revenues

According to the City of Burlingame's reports for the new budget for the 2017-2018 fiscal year, Burlingame's local business community is contributing big time! Our local businesses contribute 68% of city revenues for this coming year. To read more [click here](#).

Buckley Education Summer Coffee Chats

Buckley Education is offering Summer Coffee Chats and Casual College Info Sessions for high school parents ready to learn more about the college application process. [Click here to download the flyer](#) with more information.

EV Charging Station Funding Opportunities

There are currently two electric vehicle (EV) charging station funding opportunities available for businesses and multi-family buildings. The PG&E program will pay for design, permitting, construction, and power access for ten or more EV charging stations at workplaces and multi-family buildings.

[Visit PG&E's site](#) for more program information.

The Air District is offering a grant program, called [Charge!](#), to help fund the cost of purchasing EV stations. Workplaces and multi-family buildings are encouraged to apply. Applications are due July 28, 2017.

Potential New Revenue Measure

At a recent City Council meeting, the Council adopted the upcoming fiscal year 2017-2018 budget and conducted the first reading of a potential Local Revenue Measure that may be placed on the November 17, 2017 Municipal Election at the Council's first meeting in July. Designed with a year of community input in mind, if enacted the measure would address needs such as \$100 Million in unmet pothole, street, and recreation facilities needs.
