Burlingame Avenue Streetscape Improvements Project

PUBLIC COMMUNITY WORKSHOP #1

Tuesday, October 4, 6:00-8:30pm
Burlingame Main Library, Lane Room
480 Primrose Road, Burlingame

The Burlingame Avenue Streetscape Improvements Project will improve the quality of the City's main retail and dining area, creating an enhanced shopping, dining, and strolling experience. Utility work required within the next couple of years, including the replacement of major sewer and water lines under the street, offers the City the opportunity to update and improve the streetscape on Burlingame Avenue between California Drive and El Camino Real.

This workshop will kick-off the design process for Burlingame Avenue streetscape improvements and include a discussion of opportunities, issues, and constraints and small group visioning and design exercises.

For more information on the Burlingame Avenue Streetscape Improvements Project, including background, goals, and timeline, please visit the City's website at: www.burlingame.org/avenuestreetscape

Residential - Retail Commercial Windows - Special Events

Safeway Opens October 14

Safeway will officially open their doors on October 14 at 6 a.m. It will be a 24 hour store. The total square footage is 51,000 square feet – 45,000 on the first floor and 6,000 on the second floor. They expect to employ between 150 to 175 people. With 99 parking slots on the roof and 65 in front, the new store will feature enhanced offerings – including a sushi chef, fine wines, gourmet cheeses and olives, full service meat, seafood and a full line of organic items. They will also have a bakery, pharmacy and a Starbucks.

Burlingame City Council Candidate Forum

Wednesday, October 26, 2011

7:00 to 9:00 p.m.

City Council Chambers

501 Primrose Road, Burlingame

Sponsors: City of Burlingame
& The League of Women Voters

There are three candidates for two seats. A member of the League will be the moderator. The sponsors neither support nor endorse any candidate for the office and all three candidates have been invited to participate.

National Fire Prevention

Central County Fire Department is honoring the National Fire Prevention Association's (NFPA) National Fire Prevention Week in October and uses the month to reinforce safety measures in the communities of Burlingame and Hillsborough.

- ▶ Learn the evacuation plan for your building. Develop a plan if you don't already have one.
- ▶ Be familiar with all exits in your building
- ▶ Ensure all exits and stairwells are clearly marked and free of clutter
- ▶ Never use the elevator in an emergency – always use the stairs
- ▶ Refrain from using traditional extension cords – they are not intended for permanent or prolonged use
- ▶ Learn the safety features of your building and help maintain them

Visit www.nfpa.org or call
Central County Fire Department at 650-558-7600.

Hotel Signage

Improving signage was a top priority identified by the hotels' general managers in meetings with the City Council's Economic Development Subcommittee and the Chamber.

The City installed three signs on the east side of 101 directing drivers to the 12 Bayfront Area hotels. Caltrans also will be installing lodging signs along 101 and the Broadway interchange to help get hotel guests find the Burlingame hotel district.

The Transient Occupancy Tax is the largest revenue source generated by local businesses. There are a total of 3,773 hotel rooms within the city limits of Burlingame. The City's twelve-percent tax on room rentals is expected to generate \$13.8 million in this fiscal year.

Downtown, Broadway & Plaza

To support local merchants during the holiday shopping season, the City of Burlingame prohibits any work that might interfere with shopping in the three commercial areas listed above. This includes street or sidewalk openings, scaffolding and similar work that may interfere with shoppers or detract from the festive look. The holiday period starts on November 5 and ends on January 8. Encroachment Permits will be issued only for emergency work and work essential to the facilities.

Questions? Contact Syed Murtuza, Director of Public Works at smurtuza@burlingame.org. Plan your work carefully to avoid this period that is so important to our Burlingame merchants.
