A Big Thank You to Carol Fanucchi! 10 Years at the Burlingame Chamber of Commerce.

January marks 10 years of employment for Carol Fanucchi at the Burlingame Chamber of Commerce. And what a wonderful 10 years it has been!

Many of you that have called the Chamber office have heard that delightful voice answering with, "How may I help you?" Or maybe you met her at one of our Annual Meetings as she checked you in, or at our Networking @ Night mixers where she worked the room and made you feel welcome. With elegance and professionalism, Carol has always made a gathering better with her presence.

In the office, she is the model of productivity and helpfulness.

"When Carol first interviewed," says Georgette Naylor, CEO of the Burlingame Chamber of Commerce, "she committed to work for two years, and wanted me to know that she intended to retire at that point." She already had a successful career in the fields of non-profit management and hospitality.

Yet here we are all these years later and Carol is still doing a wonderful job for the membership, the Board and the staff of the Chamber.

"Thank you, Carol," from all of us at the Chamber for all you do! We hope you will continue for another 10 years.

Send your message of congratulations to Carol at info@burlingamechamber.org.
