**About our Keynote Speaker**

**Andrew Bosworth, Facebook AP of AR/VR**

Facebook's VP of AR/VR, Andrew Bosworth—or Boz, as most people know him—graduated from Harvard in 2004 before working as a developer on Microsoft Visio for almost two years. He joined former student Mark Zuckerberg at Facebook in January of 2006. He led the integration of the Messages and Chat products while improving stability, followed by tenures as the direct lead of the Groups, Messenger, and Video Calling teams. Most recently, he served as the VP of Ads and Business Platform where he led engineering, product, research, analytics, and design. In 2017, he created Facebook's AR/VR organization, where he drives all of Facebook's efforts in augmented reality, virtual reality, and consumer hardware across Oculus,
