The 2019 Annual Chamber Meeting was a huge success!

We had a record breaking attendance!

A HUGE thank you to our Keynote Speaker this year, Andrew Bosworth, Facebook's VP of AR/VR and the Facebook Team. Welcome to Burlingame!

Kudos to the Hyatt Regency SFO and their amazing staff for the beautiful setup, great food and service; and thanks to the Master of Ceremonies, John Delaney from Boston Private, for his support and help with this event.

Congratulations to Guittard Chocolate on their 150th year as a consecutively-owned family business; and to Dewey Land Company, the Green Business Award winner.

Special thanks to our local artist, Dale Perkins for his donation of the beautiful original watercolor for the raffle prize.

The Burlingame/SFO Chamber of Commerce is grateful for the many Business and Community relationships established over the years. This event would not be possible without all of our partners and their participation. We are very fortunate to have a strong, productive relationship with The City of Burlingame, for which we are grateful. And finally, thanks to the Chamber Staff; we are small, but mighty! .

THANK YOU TO ALL OF OUR SPONSORS, WE COULD NOT PUT ON THIS
EVENT WITHOUT YOU! SUPPORT OUR LOCAL BURLINGAME
BUSINESSES.

The President/CEO of Burlingame Chamber of Commerce officially announced a new

name for the Chamber:

Burlingame/SFO Chamber of Commerce

A new logo (shown above) was also revealed

The name change reflects the Chamber's expanding role in the mid-San Mateo County area. Most of the hotels and restaurants along Bayshore Boulevard in Burlingame are active in the Chamber and several of them incorporate the SFO identifier in their official names. The new name will give the Chamber greater visibility in digital searches that are so important to our members.
