2019 Annual Chamber Meeting

January 11, 2019
11:30AM - 1:30PM
Hyatt Regency in Burlingame

Join us for our Annual Meeting, Luncheon and Installation of the Burlingame Chamber of Commerce Board of Directors, the premier business event in the county kicking off the New Year.

About Keynote Speaker

Facebook's VP of AR/VR, Andrew Bosworth-or Boz, as most people know him- graduated from Harvard in 2004 before working as a developer on Microsoft Visio for almost two years. He joined former student Mark Zuckerberg at Facebook in January of 2006 where he created News Feed and many early anti-abuse systems, some of which are still in production. After working briefly on optimizing site speed and reliability, Andrew established and ran Facebook Bootcamp, a six-week program designed to help grow the engineering team and maintain its culture.

New Business and Resident List

Leadership Program - Class of 2020

**Look for Applications at
[Leadershipprogram.net](http://www.leadershipprogram.net) in Early
February!**

Ever wonder what it's like to walk in a police officer's shoes, arriving on scene and having to make quick life-or-death decisions? Are you aware that StarVista, one of our county's most comprehensive human service agencies, runs a "First Chance Sobering Station" for first-time

DUI offenders? Did you know that about 40% of high school graduates in San Mateo County attend our amazing community colleges, and that incarcerated people at the Maple Street Correctional Center have access to vocational programs taught by experts?

For one full Friday a month, you can learn more about the amazing resources in our county, and how your business fits into the larger county context. You'll learn how our public, private, and non-profit agencies and organizations collaborate in remarkable ways to serve San Mateo County residents, and meet the incredible elected officials, city managers, police chiefs, and CEOs behind the scenes. Program Days include field trips to local schools, San Mateo Community College, local human services agencies, businesses, and the Bay Meadows housing development.

Visit www.leadershipprogram.net in early February to apply to Leadership San Mateo, Foster City, Burlingame, Hillsborough, a program of the San Mateo Area Chamber of Commerce with support from the Cities of San Mateo, Foster City, Burlingame, and Hillsborough. It's a great way to grow the visibility of your business!

Why Conflict is Good for Business

GUEST SPEAKER: AIDA NEGRON

Aida Negron, is the Manager of Training and Facilitation at the Peninsula Conflict Resolution Center (PCRC). She has been with PCRC for 5 years.

Aida will touch upon how a conflict can be transformed into an opportunity if managed effectively and thus benefit your business. She will give some examples and tips for conflict management in the business setting and then she will explain how PCRC can support.

Peninsula Conflict Resolution Center is a communication and dispute resolution organization. They promote the collective strengths of individuals, families and organizations to help improve communication, community engagement and conflict resolution throughout San Mateo County. If you are a business, a school, a nonprofit, a government agency or a community organization and you are experiencing a conflict or anticipating a difficult conversation, PCRC can help you craft a path towards a satisfying resolution.
